Who are we?

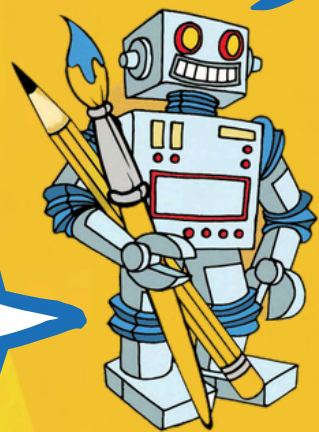

We are a community organisation focussed on children and families, creativity and play. Our friendly and inviting team are ready to welcome you into our children's shop, Toy Library and creative spaces, situated in the heart of the Govan community. We are passionate about supporting local families and encouraging creativity and play from an early age. We love to re use and recycle - helping reduce land fill waste. Our affordable children's shop is filled with pre-loved clothes and toys from tots to teens, all cleaned and checked to an immaculate standard.

What do we do?

In our shiny colourful shop, our play area will keep little ones busy while you browse! In our creative space, we provide fun, inclusive, eco arts sessions for all ages - FOR FREE! We have a craft room where we hold after school art classes and creative family afternoons on Saturdays. During school holidays we have lots of art and play sessions, We also host birthday parties and crafty events with other organisations too! Your donations and purchases help fund these workshops, free toy library memberships and also our family support vouchers for anyone in need of a little help.

SUMMER SESSIONS

This summer, get creative with our team of community artists! Explore awesome creative styles, try out cool techniques, and take inspiration from famous artists and science/nature. Have fun, make art, and help support free after-school clubs for kids in Govan!

Tues 8th July

Frida Kahlo

Surrealism: Paper crafts and crowns, playing with portraiture & painting on canvas. 8+

Thurs 10th July

Bubbles

Create your own bubble blowers, bubble socks and bubble paintings! 4+

Tues 15th July

Van Gogh

Expressionism: Painting and markmaking in the style of Vincent Van Gogh. 8+

Thurs 17th July

Light

Make your own light projectors using scrap materials and develop cyanotype images. 6+

Tues 22nd July

Andy Warhol

Pop art: creating stencils, using bold block colours and making your own portrait/poster. 8+

Thurs 24th July

Magic Gardens

Design your own mini garden using seeds and natural materials - water and watch it grow! 6+

Tues 29th July

Pablo Picasso

Cubism: Using collage and sculpture to create crazy faces with clay and cardboard. 8+

Thurs 31st July

Busy bees

Create your own bee feeder plates and painted stones. Design your own mini bee squishy 6+.
