

## **We're Hiring: Product-Focused Woodworker (2-Year Post)**

Help Us Shape the Future of Glasgow Wood

Glasgow Wood is on a mission to strengthen our organisation, boost our trading income, and build a more sustainable future — and we're looking for a skilled, creative woodworker to help make it happen.

### **About the Role**

We face a clear challenge: seasonal dips in income during autumn and winter. Your job will be to help us turn that challenge into opportunity.

As our dedicated Product Development Woodworker, you will:

- Design and develop new products that appeal to customers during our quieter trading periods
- Work closely with our Volunteer Development Worker to involve a diverse range of volunteers
- Support volunteers to build confidence, skills, and hands-on experience
- Collaborate with staff and volunteers to identify product ideas that strengthen our income year-round
- Contribute to a more resilient, sustainable organisation

This is a two-year role giving you the time and space to make a real impact.

### **Role Details**

We are offering an annual salary of £21,850 for a 28-hour week. The role reports to the Managing Director and is based at our South Street Workshop.

### **Why Join Us?**

You'll be part of a community-driven organisation with a strong social purpose. Your creativity and craftsmanship will directly support our long-term sustainability, while helping people develop skills and feel more connected.

Our board will regularly review progress — from sales and profitability to volunteer impact — ensuring we stay on track and continue to grow stronger together.

### **How To Apply**

If you are interested in applying for this role, please send your CV to our Managing Director, Danielle Fletcher ([danielle@glasgowwood.org.uk](mailto:danielle@glasgowwood.org.uk)). Applications close at 5pm on Friday the 20<sup>th</sup> of March.
